Seré Seesing

Living her life as a mousy blond gone testarossa. Loving her life as a DJ, producer, abstract painter, bonne vivante and fashion fool.

Seré is quite an appearance behind the decks not only because of her looks, but also because of her sparkling personality.

She's a female DJ/Producer who knows who she is, what she wants and where she wants to go.

Sunshine House

Seré specializes in what she calls "Sunshine House". Which is mix of groovy Deep House, funkalicious Tech House and sexy House tunes with a pinch of disco and a touch of soul.

Her sets are a mix of groovy basslines, vocals and melody. They are a musical journey where old meets new, as she loves house tunes with references to the 70's, 80's and 90's.

She will get everybody dancing!

Dream. Dare. Do.

With a masters degree in economics and subsequently working at a Dutch bank for ten years Seré walked a different path then many other DJ's.

Her love for music & performing and her interest in everything electronic clicked. in 2011 during a DJ workshop. and a year later started with a DJ/Producer Master Course at Pyntago Producers Academy.

Having finally found her calling in music she quit her job at the end of 2012 to live her dream as a fulltime DJ/Producer!
